

DACA Outreach & Community Intern

Organization Profile: Equal Justice Center (EJC) is a non-profit law firm and employment justice organization which empowers undocumented youth to achieve their education or workplace goals. We work for systemic reforms that strengthen employment rights and expand access to the justice system for all working people. Through assistance of the Deferred Action for Childhood Arrivals program we are able to serve a large and vastly unrepresented community in the local area.

We have ongoing internships for Fall, Summer and Spring semesters.
